

Johana Bártová

My name is Johana Bártová and I am a first-year student of the Alternative and Puppet Theatre master's programme at KALD DAMU. I studied directing and dramaturgy bachelor's programme at KALD DAMU.

I run in the AS AMU election because I want to be actively involved in forming a positive environment on academic soil for both teachers and students. I want to find common topics for discussing with other Faculties' students and arrive at sustainable solutions together. It would be great if we could form more collaborative ties between Faculties and Departments.
