

Assoc. Prof. Martin Pacek

Born in 1963. A graduate of the Prague Dance Conservatory and HAMU (Choreography).

I have been working at DAMU as a motion teacher since 1996. I am the Head of the Cabinet of Motion of KČD.

I also work with many Czech and Moravian theatres as a choreographer and director (drama, opera, musical).

If I am elected to the AMU senate, I want to focus on two areas. First, on closer cooperation between teachers and students across AMU, and second, on changing internal regulations that prevent teachers from lecturing at more than one Faculty within AMU.

Of course, I will be actively involved in approving the budget and controlling the funds of AMU!!!
